2025 Telethon & Auction - Thank You!

This fall's telethon and auction has been a true blessing. We stepped into this season with faith, and the Lord has been faithful once again. Our donations reached \$18,350, and as of this writing, auction proceeds are at \$11,323 with more to come as we finish out the week.

Every gift, every prayer, and every donated item made a difference. Viewers called in, shared the broadcast, and stood with us in a powerful way. We truly could not do this without you.

The phones stayed busy. The bids came in steady. There was a sweet spirit in the studio, a reminder that this is God's work, and we are blessed to be part of it.

Thank you to our donors, churches, volunteers, and local businesses who supported us. Your generosity keeps Christian television strong here in central Ohio and helps us reach more homes with the hope of Jesus Christ.

We appreciate you more than you know. The best is still ahead.

With gratitude,

Jonathan Aiken

President and General Manager

The Value of "Happy"

In a world that often feels like it's drowning in its own misery, happy can seem out of reach. Strangely, the more people have, the less happy they seem to be. So is happiness impossible?

The short answer is **no**.

So then... how do we find it?

It begins with **contentment**. Contentment is a choice, and like anything worth having, it is something we learn over time.

Step 1: Look around you.

Take a few minutes each day to notice the good in your life. Count your blessings. Remember that no matter what you're facing, someone else is facing something even heavier.

Step 2: Do what you can for those in greater need.

Few things lift the human spirit like helping someone who cannot repay you. Serving others has a way of reminding us what truly matters.

Step 3: Be thankful for what you have.

Gratitude resets your perspective. When you focus on what you do have instead of what you don't, happiness becomes much easier to find.

Start with these steps, practice them daily, and you'll discover that "happy" isn't as far away as it once felt.

New Employee for the COACB

We are blessed to welcome a new member to the COACB family. Chris Stewart has joined us as our Marketing Specialist, and many of you may also know him as the pastor of Freedom Fellowship in Galion, Ohio. Chris has a real heart for helping ministries take the Gospel beyond the four walls of their church through streaming and Christian television.

One of his key responsibilities is reaching out to local churches and ministries, sharing how simple and affordable it is to broadcast their programs on our stations. In addition, local businesses can support the ministry through sponsorship commercial spots, with packages starting as low as \$100 a month and airing several times each day.

Chris understands the importance of reaching people right where they are. Many folks may never walk through a church door, but they will turn on their television at night or scroll through a livestream on their phone. By helping churches and ministries step into the world of broadcast, he is helping them reach souls who may be hearing the Gospel for the very first time.

The future is bright at the COACB, and we are grateful for the passion Chris brings to this work. If you or your ministry have interest in broadcast television, livestream outreach, or sponsorship opportunities, Chris would love to connect. You can reach him directly at Chris.Stewart@coacb.org.

Please join us in welcoming Chris Stewart to the team as we continue making waves for Christ across Central Ohio.
