### A Celebration of Unity and Revival

As we reflect on Revive 2026, our hearts are filled with gratitude for all that God did during these fourteen special nights. From June 7-20, the tent at the COACB campus became a place where people from all walks of life and from more than a dozen different churches came together with one purpose... to worship Jesus and seek His presence.

In a time when our world seems so divided, it was refreshing and encouraging to see believers from many congregations, denominations, and communities sitting side by side in unity. Night after night, pastors, singers, and worship teams from across Ohio ministered together, reminding us that the body of Christ is strongest when we work together for the Kingdom of God.

We want to extend our heartfelt thanks to every preacher, singer, volunteer, staff member, prayer partner, and attendee who helped make Revive 2026 such a success. Whether you set up chairs, worked the cameras, answered prayer calls, sang a song, preached a message, or simply came expecting God to move, you played an important part in this revival.

We also want to thank those who watched on television and online, allowing the message of hope and the spirit of revival to reach far beyond the tent itself.

The greatest takeaway from Revive 2026 is not just the services we held, but the spirit of unity that was present each night. We believe God used this revival to encourage His people, strengthen relationships among churches, and remind us that there is still a hunger for the Gospel in our communities.

### Looking Ahead With Gratitude and Expectation

As our nation begins celebrating America's 250th Birthday, we are reminded that our country was founded on the principles of faith, freedom, and hope. For nearly two and a half centuries, Americans have persevered through challenges because of a belief that God still has a purpose for this nation.

Here at the Central Ohio Association of Christian Broadcasters, we believe the future is just as bright. As we look ahead, we are excited about several opportunities that stand before us. We continue to await word from the FCC regarding our four new low power television applications that would allow us to expand our ministry into additional communities. We are also looking forward to resolving our Delaware feed issues and strengthening our network so that even more homes can be reached with the Gospel of Jesus Christ.

In the coming months, we are preparing for new programming opportunities, additional partnerships, and greater ways to serve our viewers and local churches. Our recent revival reminded us that God is still moving and that there is a hunger for Christian fellowship and biblical truth.

As America celebrates 250 years of freedom, we are thankful that for more than 45 years the COACB has been able to use television as a mission field. We do not take that responsibility lightly. The next chapter of this ministry is still being written, and we are excited to see where God leads.

Thank you for your prayers, your support, and your faithful partnership. The best days of the COACB are not behind us. By God's grace, they are still ahead.

## This Month's Kingdom Builder

This month, we are honored to recognize **Brad Richardson** as the COACB's Kingdom Builder of the Month.

Brad has been a faithful supporter of this ministry from the very beginning. Along with our founder, David Aiken, he helped lay the foundation for what would become the Central Ohio Association of Christian Broadcasters. In those early days, Brad and David would share a single black and white camera, recording church services and dreaming of using television to reach people with the Gospel.

That vision has grown into the ministry we know today, and Brad's dedication to the work has never changed. He currently serves on the COACB Board of Directors, is a faithful Monday night host of Prayerline on our network, and continues to be a trusted friend and supporter of the ministry.

Outside of the COACB, Brad serves as a deacon at King's Temple Apostolic Church in Marion, Ohio, where he has faithfully served for many years.

Thank you, Brad, for your friendship, leadership, and decades of faithful service to the Kingdom of God. Your commitment has helped make the COACB what it is today, and we are grateful to call you one of our Kingdom Builders.
