### A New Look for a Timeless Mission

We are excited to introduce a refreshed logo for the Central Ohio Association of Christian Broadcasters. While the design is new, the mission behind it remains exactly the same... sharing the Gospel of Jesus Christ with our community and beyond.

At the center of the new logo stands the cross, reminding us that everything we do is rooted in Christ and His message of hope. Behind it is a globe, representing our calling to take God's Word into all the world through broadcast television, cable, and streaming. The dove symbolizes the Holy Spirit, whose guidance and power have sustained this ministry from the very beginning.

Beneath it all remains our familiar motto: "Making Waves for Christ." Those waves represent the very real television signal waves that carry the message of the Gospel from our transmitters into homes across Ohio and beyond. Every signal that leaves our towers is another opportunity for someone to hear God's Word, find encouragement, or experience hope.

While the look may be new, the heart of this ministry has not changed. We remain committed to bringing local churches, community programming, prayerline ministry, and the message of salvation into homes every single day.

Thank you for standing with us. Because of your prayers and support, we will continue making waves for Christ for years to come.

### Let Your Needs Be Known

For more than forty years, the Central Ohio Association of Christian Broadcasters has existed to share the Gospel of Jesus Christ and give local churches and community voices a place on television.

This ministry began with a single black and white camera and a burden to reach people beyond the walls of the church. From that simple beginning, God has grown COACB into a network that now reaches millions across Central Ohio.

Today, we find ourselves in a season of need. Some of the programs that air on our stations have fallen behind in their payments, and donations that normally help sustain daily operations have been lighter than usual.

Philippians 4:6 reminds us to "let your requests be made known unto God." We are trusting the Lord, and we are also sharing this need with you, our faithful viewers and partners.

If this ministry has been a blessing to you, we humbly ask you to consider making a pledge. Your support helps keep local Christian television on the air and allows local churches and community voices to continue being heard.

Thank you for praying for this ministry and for helping us continue making waves for Christ.

## This Month's Kingdom Builder

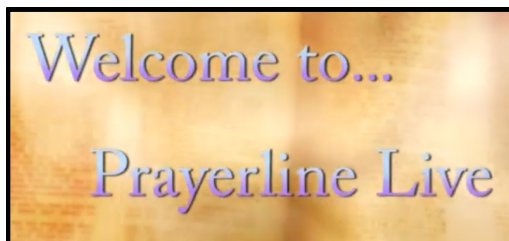

We would like to publicly introduce you to someone we proudly call a Kingdom Builder here at the COACB. A Kingdom Builder is someone who makes a difference by helping bring people to Christ through faithful service, whether on the front lines or quietly behind the scenes. Today, we are honored to shine the spotlight on **Seby Powell**.

Seby is a longtime volunteer at COACB. In addition to co-hosting Prayerline LIVE on Tuesday evenings, she has a special gift for turning simple pieces of fabric into beautiful handmade items that bless our auctions and the people who receive them.

Seby truly has a heart to serve, and we are so thankful for volunteers like her who are willing to use their talents to help build the Kingdom of God.

Thank you, Seby, for being a Kingdom Builder!
