Let Us Help Share Your Event

There is something special about a good old-fashioned revival or a gospel singing.

It's more than just a gathering. It's a time when people come together, hearts are stirred, lives are touched, and the presence of the Lord is felt in a real way. These are the kinds of moments that deserve to be shared.

Here at COACB, we want to help you do just that.

If your church is planning a revival, a gospel sing, or a special service, we would love to help get the word out. You can send us your event information at **announcements@coacb.org**, and we will do our best to announce it on our stations so others in the area can be part of what God is doing.

And in some cases, depending on our schedule and availability, there may even be an opportunity for us to come out, record your event, and televise it for others to see.

Our heart is simple. We want to help shine a light on what God is doing in local churches and make sure those moments reach beyond the walls of the building.

So if you've got something coming up, let us know.

Let's see what God will do.

Waiting on the Next Step

Right now, we are in a season of waiting.

We have applied for new LPTV television stations in Findlay, Kenton, Lancaster, and Newark, and we are waiting to hear back on those licenses. It's an exciting opportunity to expand the reach of the Gospel into new communities across Ohio.

But for now, we wait.

Waiting isn't always easy, but we've learned over the years that God's timing matters. Every door this ministry has walked through has come through prayer, patience, and trusting Him to make the way.

So we ask you to pray with us.

Pray for favor.

Pray for open doors.

Pray that the Gospel continues to go forward.

And while we wait, we keep doing what we've always done.

We keep the signal on the air.

We keep the message going out.

We keep trusting.

Because when the door opens, we'll be ready.

A Door Opened in Alabama

Over the years, one of the greatest blessings of this ministry has not just been building our own stations, but helping others build theirs.

We had the opportunity to help Greater Love Television launch their first LPTV station, WFRZ-LD. What began as a shared vision and a willingness to learn has now grown into a functioning broadcast ministry reaching thousands.

Throughout the years, we've also had ministries like the Gospel for Nepal come through our station, learning the technology and gaining an understanding of what it takes to build and operate a television outreach. This isn't something that everyone knows how to do, but it's knowledge the Lord has allowed us to gain over time.

And it's a blessing to be able to pass it on.

It means a great deal to us that this work is still bearing fruit today. In appreciation, Anthony Wynn and Greater Love Ministries graciously placed us on the .3 sub-channel of WFRZ-LD, allowing us to continue sharing the Gospel in a new region.

We believe this is what ministry is all about. Not just growing ourselves, but helping others step into their calling.

God has given us the tools, the knowledge, and the experience, and we are committed to using it to further His Kingdom.

And the message of Christ signal continues to reach farther.
