Program of the Month Everlasting Life

Tune in every Sunday at 4 PM for Everlasting Life, our Program of the Month, airing on COACB TV. This inspiring teaching program is led by Pastor Michelle Vannall of Everlasting Life Media Ministries, based in Lancaster, Ohio. Over 10 years ago, Michelle was invited to the station by Sister Marquitta Hughes, and that invitation marked the beginning of a powerful media ministry.

Everlasting Life is dedicated to teaching the gospel of Jesus Christ and exploring the realm of the Spirit. Pastor Michelle delivers each message with passion, faith, and obedience to God's calling. She shares, "**The Lord laid the desire** on my heart to go out through media. It is a **great honor** to serve the Lord, Jesus Christ, and His kingdom."

COACB Expanding into Four Cities

The Central Ohio Association of Christian Broadcasters is excited to share that we are planning to apply for four new television stations in **Kenton, Findlay, Lancaster, and Newark, Ohio**. These new stations will help us reach even more homes and communities with the message of Jesus Christ and continue the vision that began over forty years ago.

Each of these cities represents a meaningful opportunity. In **Kenton and Findlay**, we will be reconnecting with regions that have long been part of our ministry's history. In **Lancaster and Newark**, we will be entering new areas where local Christian broadcasting is limited, giving families a source of encouragement, prayer, and uplifting programming right in their own community.

Our mission has always been to make the Gospel easily accessible through television and online streaming. By expanding into these new locations, we are continuing to build a network that covers more of Ohio with Christian programming that inspires faith and strengthens local churches.

We are asking for your prayers as we move forward with the application process. Each new station application requires around **\$2,000** for engineering and filing fees. While we are not guaranteed to receive the stations once we apply, we are doing our due diligence and trusting that with God on our side, great things are ahead.

If we are able to raise additional funds, we plan to apply for even more stations as new opportunities arise. Every gift helps us take another step toward expanding the reach of Christian television in Ohio. Together, we can continue Making Waves for Christ!
