THE POWER OF ONE DOLLAR

The Central Ohio Association of Christian Broadcasters has permission from the FCC to increase the power of WGCT in Columbus, Ohio by thirty two times, but it has found it very hard to raise the money. The organization is now engaged in a novel new program to raise that money one dollar at a time.

The project costs \$30,000 but few of us know anyone who can donate that much. It would take thirty people donating \$1,000 or three hundred people donating \$100.00 to accomplish the same goal. Although it would take thirty thousand people, the \$30,000 goal can be reached with just \$1.00 donations.

You may have received an email as part of this program. You are asked to donate at least one dollar toward this program and forward the email to as many people as you can.

The power of this program is in the numbers. Everyone knows someone who might help. The secret is finding those people. Thirty thousand people donating one dollar will make it possible to take the Gospel to over one million people in Columbus, Ohio. Would you please be one of the thirty thousand?

As of 9:00 A.M. on March 26, 2007, \$3,082.00 has been collected for the WGCT project. If you would like to track this project and see it grow, click on www.coacb.org/project.html Information will be updated daily to show additional moneys received..

You can donate on line at www.coacb.org/request.htm or you can mail your donation to: COACB Columbus Project, 1282 N. Main St., Marion, Ohio 43302. For more information about the COACB go to www.coacb.org or if you would like to receive the email from the COACB, please send an email to stacy@coacb.org with the subject line displayed as Power of One Dollar.
