## Donations

The COACB has been feeling the effects of the downturn in the economy. Jonathan reports that donations to the COACB for the first six months of 2011 are down over \$11,000. That makes it very rough when we are trying to expand. The staff at the COACB have cut every expense as far as possible but it is impossible to cover that much of a short fall because we are a very lean organization already. So while we had hoped to use all of the telethon money for expansion it became necessary to use some of it for operating expenses.

The COACB has several projects going (Lights, Camera, Shop and TV 39 classified) that will eventually replace the money we had to borrow from the telethon fund but the project has been slowed somewhat.

The COACB is not the only organization feeling the pinch of the economy. Most non-profits report their donations are off by 65%. Thank the Lord we are doing better than that but we can definitely use any donations.

## Watching All Around The World

Did you know that you can watch all four COACB streams almost anywhere in the world? Yes all four streams are now available by Digital TV, Streaming Video, and now even Cell Phones that can handle streaming flash. When you buy your cell phone, ask the dealer to show you that it can handle streaming flash video. Eventually almost every TV station will have their programming available as streaming flash. The COACB does it now. I guess we are just ahead of our time. **Watch all streams now at [www.coacb.org](http://www.coacb.org)**

## Facebook

David Aiken

Jonathan volunteered me to be the Facebook contact during the airing of Lights, Camera, Shop. If you think the program is Wild and Woolly look in on Facebook. Comments come in real time so you should refresh your browser at least once a minute to get all the latest comments and responses. Sometimes it gets really entertaining with many people responding at the same time. Most are watching the programming on TV and responding by computer but some, especially those located far away keep switching between our live video stream and our facebook page. We even get comments posted from cell phones. Go to [www.facebook.com](http://www.facebook.com) and search for lights camera shop. After you go there once bookmark it for every Friday Night. Click **Like** on facebook for the latest L. C. S. updates and advanced previews.

## Still Waiting

The channel 45 antenna has not left the factory in Pennsylvania yet. It was scheduled for completion on June 2 but the factory is running about two months behind.

The antenna is a special design engineered specifically for Marion, Ohio. Antennas are normally made in 4 bay, 8 bay or 16 bays but the design for this antenna calls for 14 bays. Once completed the antenna moves to the test range where it is tested and certified to perform exactly as specified The final payment of \$5,000 is then made and the antenna shipped.

Our COACB Volunteers this Month are Chloe, Blake, and Andrew Aiken. The young as well as the old can be excellent volunteers. The Aiken children are active volunteers taking prayer requests to their grandfather, David Aiken, during "The Word of Truth Broadcast", Sunday at 1 PM. Their enthusiasm and smiling faces as they approach the stage show that they are happy volunteers.

## Lights, Camera, Shop

Carolyn Aiken

Thanks to our viewing audience and volunteers for making this show a success. We have almost 900 customers who have customer ID shopping cards and we can be viewed from around the world. We recently had someone from Minnesota come in for a Lights, Camera, Shop bag, button and customer ID card.

Look forward to future sales as we are constantly exploring new vendors to help in our selection of items. We pride ourselves in having fun while we are raising funds working hard to make every show a success.

Likewise, we are proud and humbled in the number of prayer requests that we receive weekly. When you come to get the items you will pass our small chapel. Look inside and see the stack of requests from our show. God is still remembering your needs.

Please continue to watch our show on Fridays, 8:30 PM - 11:30 PM wherever life may take you.

## STORIES FROM MY RELATIVES

My Uncle Kutterman had to fire his nurse. She was absent without gauze.

## TV39 CLASSIFIED

We are very excited about the success of the TV 39 Classified project. People and businesses are finding that they can advertise their goods and services at a price that they can actually make money.

People are telling us that an ad in a newspaper or on radio costs them \$40 or more for one time. Now compare that to TV 39 Classified where for just \$10 their ad can be seen 336 times on the (39.2) channel and 21 times on the (39.1) as well as on the internet around the world. Also remember that all COACB channels are broadcast in Columbus, Delaware, Kenton as well as in Marion. WOW ! WOW !

All ads must be paid in advance and run from Wednesday at noon until the following Wednesday at noon so the next time you have anything for sale or rent contact TV 39 classified at (800) 852-8199.

**The COACB is a Christian organization and will not accept any ad for TV 39 Classified that is offensive to the Christian Community**

The CHRISTIAN BROADCASTER is published monthly by The Central Ohio Association of Christian Broadcasters Inc., an Ohio NOT-FOR-PROFIT Corporation. The IRS recognizes the organization as a type 501(c)(3) organization. Donations are TAX DEDUCTIBLE.
