CHRIST THE
SAVIOR IS BORN

CHRISTMAS PRESENTS

What are you getting for Christmas? That is a question asked many times during this season. Children brag about the wonderful gifts they hope to acquire and many will succeed in obtaining them. However, if we look forward just a short time, we will see most of those treasured items abandoned, forgotten and broken. Most gifts given during this season do not pass the test of time. Yet, there is one gift that was given two thousand years ago and He is the real reason for the Season.

Glory to god in the highest and on the earth peace and good will toward all men for unto you is born a Savior which is Christ the Lord.

STORIES FROM MY RELATIVES

John Hoffman

And then there's the story of KNIGHTS of OLD. Many years ago in England the Knights had huge St. Bernard Dogs. The dogs were so large that the smallest Knights could ride on them. They always took the dog along when on patrol. Well, it so happens the only remaining dog was quite ill and had been throwing up most of the day. The Knight was all ready for his midnight patrol, but the caretaker, who happened to be my distant relative, Uncle Sir Watter Noggin, looked and examined the dog again, then said, "I'm sorry, but I won't send a Knight out on a dog like this."

SHIELDS OF STRENGTH

You may have noticed the dog tag given to members of the Gideon's Army. These were provided by a company called Shields of Strength. Many in our armed forces wear these along with their regular dog tags and we have heard reports of wounded soldiers on the battlefield who took new courage and hope after reading, again, the words imprinted on this third dog tag. Joshua 1:9 I will be strong and courageous. I will not be terrified or discouraged: for the Lord my God is with me wherever I go.

Your church or Sunday school may wish to obtain these for your loved ones and you can reach Shields of Strength at (800) 326-7882 or on the web at www.shieldsofstrength.com.

ORANGE PUNCH

BETTY SYCK

ADVANTAGES OF GIVING

There are many Biblical reasons to give. First, there are some that give in secret. Money is often sent with no name, explanation, or return address. Sometimes money is delivered by persons who simply state that this is between them and the Lord. They will be repaid. (Matthew 6:4 That thine alms may be in secret: and thy father which seeth in secret shall himself reward thee openly.)

Second, there are also the tangible financial benefits for giving. (Luke 6:38 Give and it will be given to you: good measure, pressed down, and shaken together, and running over shall men give unto your bosom. For with the same measure ye mete withal it shall be measured to you again.)

Several things can be done in December that can result in real savings on your income taxes. Almost anything of value can be donated to a not-for-profit organization accepting the item must establish an appraised value and issue appropriate receipt to the donor.

Sometimes the tax advantages for donating can be very favorable especially if it moves you to a lower tax bracket. The donation of stock is one place it is often possible to claim a large advantage. The IRS recognizes the donation credit for stock as the total value of the stock on the day it is donated. Let us say that you bought \$100 of stock in 1996. The stock split four times and it is now valued at \$3600. If you sell it you must pay capital gains on the \$3500 it appreciated but if you donate the stock to a non-profit organization there is no capital gains, you receive a donation credit for donating the total \$3600, and you greatly benefit the organization you donated it to. The COACB is recognized by the IRS as a type 501c3 organization and donations to it are tax deductible.

Third, and most important, the result of your giving is being used to reach your community with the gospel, helping to change the lives and destination of men and women, boys and girls. (Proverbs 11:30 The fruit of the righteous is a tree of life: and he that winneth souls is wise.)

GOT A DISH ??

Daily we at the COACB receive calls from people who have purchased a dish then realize the COACB stations are not on satellite. Well relax. This is much easier to solve than you ever imagined because most people use the channel 3 output on their satellite receiver and connect it to the antenna terminals on the TV. They then never change the channel on the TV. All channel selecting is done with the tuner in the Satellite box. To allow you to receive off the air signals simply add a \$ 0.99 splitter and a short piece of cable. Remove the cable from the antenna input of the TV, hook it to either side of the combiner. Hook the outside antenna to the other side of the combiner and use the short cable to connect the output of the combiner to the antenna terminals of the TV. Then to receive satellite simply set the TV tuner on channel 3. To receive an off the air signal simply use the TV tuner to turn to it. If you already have a UHF antenna you will need only the combiner and short piece of cable. If you do not have a UHF antenna the COACB can supply them for \$12.00 plus tax. You set the television channel selector to channel 3 for satellite and to receive off the air channels you simply turn the channel selector to 39, 48, 42 or what ever channel that is used in your area.
