## Happy Fourth of July

### Wow !!!

Channel 8 is up to full power and we are getting excellent reports from viewers. Many are very excited about the gospel music videos and many more excited that Columbus now has a station that the Christian Community can actually be a part of its day to day operations.

We received reports that channel 8 can be viewed by some on an inside antenna as far north as Delaware. With an outside antenna the station is viewed in Pataskala 23 miles to the east. How far it actually reaches is yet to be determined but the engineering shows that some viewers should be able to get the station as far away as Circleville and Lancaster.

We have included in the upgrade, the ability to do command and control from anywhere in the world. Instead of having to drive to Columbus when we have a problem I can simply go to the closest computer, log on to the internet, and then instruct the control computer in Columbus to make any necessary changes. It is kind of scary to think that we have incorporated a control system in the Columbus station that even NASA would be proud of and yes we could operate TV-8 from the international space station.

We expected that the TV-8 upgrade to cost about \$30,000 but it ended up costing almost \$40,000. We have raised over \$20,000 of those funds and are seeking donations to raise the rest. Please send your donations to COACB, 1282 N. Main St., Marion, Ohio 43302.

### COUNTRY FRIED APPLES

BETTY SYCK

Melt about 3 tablespoons margarine in skillet. Add slice apples (with or without peel) and sprinkle on sugar. Cover and cook until tender. Turn up heat and cook uncovered a few minutes until juice is gone and apples are lightly browned. I use about 8 unpeeled apples and about ½ cup sugar. Use more or less depending upon how sweet you want them. (Use any cooking apple.)
