COACB WELCOMES NEW EMPLOYEE

Our new secretary/receptionist Paula Marshall joined the staff on May 17, 2004. Paula brings years of experience to the job having previously worked at MedCenter Hospital, where she started in the Data Entry Department; moved to the Billing Office, then became secretary for the Respiratory Therapy Dept. She also worked at Drypers Corporation as Admin. Assist. for three years under the plant manager.

Paula is very talented, and when not at TV 39 she does wedding design and decorating and through a business called, Awesome Day Wedding Design and Decorating with her partner, Cindy Ballinger.

Paula resides in Marion, where she has lived all of her life. She has three grown children; two boys and a girl and four grandchildren. She also has one brother, Tom Shumate, who had his own music ministry and is now a pastor in Amherst, Ohio. Her mother, Mary Shumate, resides in Amherst.

Paula looks forward to her job here at COACB and we are happy she is with us.

COACB HOMECOMING

The COACB was born 24 years ago and during those 24 years, hundreds of Gospel singing groups and thousands of people have used its facilities. Now the COACB will be having its first homecoming. The two day event will take place under a large tent next to TV39 at 1282 N. Main Street in Marion, Ohio on June 12th from 10 - 8 p.m. and 13th from 1 - 7 p.m. The event will feature Gospel singing, food, contests, and good clean fun. A few of the Trophies that will be given are: Best Church Choir, Pie Eating Contest, Chicken Wing Contest. Many Gospel Groups will be there, and each is scheduled to sing in half hour blocks. Times for each group will be posted on the black board by the stage.

One of the more unusual events scheduled is a tag team preaching event. A number of preachers are lined up on the stage. When the bell rings the first preacher is given up to six minutes to deliver a sermon. He then taps the next preacher in line and that preacher has up to six minutes for his sermon. This continues until the last preacher has preached. The event has a time keeper that will ring a loud bell if any preacher goes over 7 minutes. That preacher then knows that he has attained the status of being called long winded. Churches, be sure to sign your pastor up and come support him for this fun event.

There is no charge to attend and food will be sold on the premises. Money raised during the event will be used to buy new equipment for the three COACB stations, so plan to bring your family and have a great time.

VIDEO SERVER

David Aiken

In the fall of 2003, the COACB made the decision to abandon video tape. We planed to do this in steps with the transition to DVD taking place in January 2004. For the most part this has worked well but there have been problems with the automation system playing the disks. Our broadcast computer could not talk directly to the players. We tried to get a software update to fix this problem and were told that although our broadcast computer was just six years old, parts and support for it are no longer available. The COACB then decided to take the next step and purchase a new video server. The system which cost over \$6,000 will be installed next week. A month of programs produced at COACB stations can be stored directly on the hard drive of the video server. The server will watch the clock and send out each program at its scheduled time.

I just had a thought... When the Lord comes back for his people, if the electric is still on, the station will continue to operate for at least a month with no one here.

STORIES FROM MY RELATIVES

John Hoffman

My Uncle Ghizz, his last name was Moe. He lived close to the Mexican Border in Lower California. A lady, just across the border had identical twins. She couldn't properly care for them so she put them up for adoption. After much consideration, Uncle Ghizz and his wife took them. One was named "Juan" and the other one, "Amall". It became too much for Uncle Ghizz and his wife to care for both of them. Fortunately, they had friends in Alaska who adopted Amall.

About four years later, Uncle Ghizz's wife was combing Juan's hair. She sighed wistfully and said, "I sure would love to see Amall. I wonder what he looks like." Uncle Ghizz was quick to reply. "When you've seen Juan, you've seen Amall."
