TIME FOR AN ANTENNA

We are really excited by some of the new antennas reaching the market. They cost \$25-\$35 and take just minutes to install. Most are installed with just 3 screws on the side of the house. They have a built in amplifier and as with any antenna the higher you can install it the better it works.

I bought several of the amplified antennas to evaluate them. All worked better than I had expected. All could pick up the local stations and the Columbus stations from inside the room by the TV receiver. This included a \$19 indoor amplified antenna from Big Lots. No installation, Just hook up the cables and plug in the power supply then scan for digital channels. Total installation time less than 5 minutes. I just set the antenna on the floor behind the TV and received seventeen channels. Not bad for 5 minutes and \$19. And just think, **NO MONTHLY BILLS.** I now have this antenna hooked up to a TV in the lobby At TV 39 so that viewers might try it.

I bought a RCA antenna for \$23. I must say it performed very well. The antenna stands about a foot high and about 6 inches across about 1" thick. It can be used inside or outside. It comes with a 20 foot cable and installs on a wall with just 4 screws. The antenna works well and users should get 20 or more channels with it. To mount it higher, discard the 20 foot cable and replace it with a longer piece or RG-6 cable. You can buy 50 ft rolls of RG-6 with the F connectors already attached. You might just decide you do not need that \$100 monthly cable or satellite bill. **FREE TV IS GOOD.**

MARRIAGE SAVER

Do you and your mate fight over the TV remote?? One wants to watch sports and the other wants to watch LIGHTS CAMERA SHOP. The solution is actually very simple and inexpensive. Many digital television sets are selling for less than \$ 100. I have even seen new 7 " digital TVs selling for \$30, complete with attached antenna. Also many computer monitors now come complete with built in digital TV tuner for less than \$100. That sure is a lot less than the price of a divorce attorney..

COACB VOLUNTEER OF THE MONTH

Carolyn Aiken is the Recording Secretary of the COACB, but most people know her and her son Jonathan as the co-hosts of the Lights Camera Shop. Carolyn also does most of the buying for the show so she travels widely seeking items to sell on the show. She decided that live alligators from Louisiana are not suitable to sell on LCS. Carolyn does all of this as a volunteer.

Thank you Carolyn.
