## PRAYERLINE

Steve Powers

**O**ne large blessing that the Body of Christ has in Delaware, Marion, and Kenton is Prayerline. It is a beautiful thing that people of different church "families" can all come together to pray. This way we can see the needs of the community and of individuals met.

People who otherwise would not necessarily cross paths, can meet together via Prayerline to see the power of God intervene on our behalf. It is also possible to be invited into someone's home who otherwise would not have access to believers. They may be between churches or they have a need in their life that is drawing them to make a commitment for Jesus Christ.

It is always a blessing to receive Praise Reports of impossible situations overcome by the Power of God, through prayer. My wife Diane and I have been blessed to be part of the Prayerline family for the past two years. It is an excellent program when the phones are kept busy with requests or Praise Reports. **Call In!**

## COACB TELETHONS

A major source of operating funds to operate COACB stations comes from our twice yearly telethons. On Thursday and Friday nights, there are three hour auctions. On Saturday, the auction continues for seven hours. Many local merchants donate items to be auctioned and some even serve as guest auctioneers. On Sunday the stations take pledges for six hours. Everyone always has a good time so plan to take a part March 7-10!

## MARCH LOVE GIFT

**T**he Love Gift for March is a Good Shepherd Stained Glass Arch and Tea Light. A color image on glass shows the Good Shepherd holding one of his lambs. This image was inspired by Psalm 23, "The Lord is my shepherd and I shall not want." **This love gift will be sent to all that donate at least \$5.00 to the COACB during the month of March.**

**TRY THESE RECIPES**

**HAVE A SATELLITE?**

You can still receive COACB programs. We have made special arrangements to provide high quality UHF antennas for a donation of \$14, about half the retail price. Hookup is as easy as mounting the antenna and running the flat cable to a combiner, which will make the signal accessible to your TV. Once your antenna and satellite dish is installed, you will be able to enjoy the best of both worlds—crystal clear national channels, plus your favorite local channels.

**STORIES FROM MY RELATIVES**

John G. Hoffman

I would like to tell you about my Uncle Clodd. His last name is Hopper. Uncle Clodd was a poor farmer.

He never had anything modern in his home. He was really back woodsy. He didn't have a radio or TV. It so happens he spent his last dollar on a lottery ticket. And, would you believe it, he was a million-dollar winner. The first thing he did was to have a \$300,000 home built. I asked him one day, "Uncle Clodd, How large are your bathrooms?" He thought for a minute, then replied, "Well, John, I reckon we can seat eight."
