A Modern Day Ghost Story

My sister Loretta bought a new Macintosh computer and needed help setting up many of its features so she called Jonathan to ask for help. It was Saturday and Jonathan was at home so he went on line to set up her computer. He needed access to some features available only on Macintosh computers so he looped through his Mac computer at TV39. After a few minutes he had Loretta's computer all set up so he turned off his home computer.

I talked to Loretta about an hour later and Loretta said from time to time, she was hearing strange sounds, in her house. The sound of doors opening and people talking. She had checked all rooms and her alarm system was armed. She could not find anything and she said her dog was scared to death.

I had an errand to run for Jonathan so I went in to the station and set down at his desk. Loretta was hearing strange noises again and had gone into her computer room to investigate. I moved some papers on Jonathan's desk and bumped the mouse on his Mac computer. A picture of Loretta in sheer terror popped up on Jonathan's screen. I said Hi Loretta and she exclaimed David !!

The ghost mystery was now solved. Jonathan had used the Mac as a relay between his home computer and Loretta's new computer. When he signed off at his home, the relay computer at the station remained connected and every sound at the station was being relayed to her computer. That was why she was hearing doors opened and people talking. **If you want a really good laugh just ask Loretta if she believes in ghosts.**

Spring Telethon

Due to a scheduling conflict the COACB's annual spring telethon was rescheduled to April 7, 8, 9th and 10th.

We will begin on Thursday 8pm-11pm, Friday 8pm-11pm Saturday 4pm-7pm and Sunday from 2pm-7pm. Nancy Gracely will coordinate our auction event during this telethon. If you have any items to donate, please call TV 39 at 740-383-1794.

Try These Recipes

MISHMASH FLIPFLOP

ELVIRA K. JAMES

1 ¼ cup flour; 1 cup sugar; cut in 1 stick oleo, press in pie plates; bake in 350 oven for 15 to 20 minutes

Prepare streusel. 1 cup sugar; 1 cup flour; 1 stick oleo. Cut oleo into sugar and flour and chill for 15 minutes. Pour pie filling into the baked shells and top with the streusel. Back into the oven at 350 for 35 to 40 minutes until topping is light brown.

The name: Because the shell is from one recipe, the topping from another and the filling, apple is my own canning. Flipflop is anything that I try for the first time. If it's alright it's a flip, if it's a disaster it's a flop.

STORIES FROM MY RELATIVES

John Hoffman

My Cousin Boogey turned to the faith of Buddhist. Some-time later he got some terrible toothaches. He went to the dentist. The dentist wanted to give Cousin Boogey Novocaine during the tooth pulling. Cousin Boogey refused. He wanted to transcend dental medication

VOLUNTEERS

Is the volunteer a dying breed?? That is a question that I am asked over and over by local organizations. All say that they have seen a drastic drop in the number of volunteers. Volunteers were once plentiful and organizations tried to find jobs for their volunteers. Now most can not recruit enough volunteers and must scale back their operations. Fire Departments once staffed their departments and emergency squads with volunteers but now must hire people to fill those positions. Even the Salvation Army had trouble recruiting enough bell ringers during the past Christmas season. COACB volunteers are essential for our operation. We operate four television stations, multiple production studios, and an internet site with a paid staff of just three and over 100 volunteers. Many volunteer positions are available We need: Camera Operators, Set Designers, Video Switchers, Graphic Operators, Computer Programmers, Telephone Operators, Remote Production Crew, Control Room Operators, Prayer Line Hosts, Envelope Stuffers, and Sound Operators. If you can volunteer, we will train you for a position that you'll love. WE NEED YOU.

PEACH CUSTARD

THELMA AIKEN

One (1) unbaked pie crust; 2 cups sliced ripe peaches; 3 beaten eggs; 1 cup sugar; 2 tablespoons butter; Cinnamon

Put peaches in pie crust. Beat eggs and sugar and pour over peaches. Sprinkle with cinnamon and dot with butter. Bake 10 minutes in 400 degree oven. Reduce heat to 350 degrees and bake 35 minutes.

ICE CREAM PUNCH

BETTY SYCK

½ gal. pineapple sherbet; 1 pkg. frozen raspberries or strawberries; 1 banana.

Put together in big bowl and mash with fork. Mash it good. Add enough 7-up to make it slushy. Serve in cups with spoons because it is too thick to drink.
