COACB TELETHON

We have raised over \$23,000 so far in our Spring Telethon with one more night of our telethon auction left. This telethon has far exceeded our expectations. We have been able to bring all of our bills up to date and been able to purchase three new badly needed pieces of equipment. We have also expanded from 4 program streams to six streams on all of our stations.

I can say we are being very careful on how we spend the money and are working very hard to get the most benefit out of each dollars spent. The community has noticed and one dealer has told us it is unbelievable how many antennas they are now selling. People are wanting to receive all the COACB program streams.

All I can say is thank you to all who have donated and the Lord will bless them.

YOU ARE NEEDED

I have always wanted to feel that COACB stations make a difference in people's lives and I really think they do. On a typical day a large number of prayer requests come in. One dear lady often calls from Hawaii with prayer requests for herself and her family. Many calls come in from States such as: Nevada, North Carolina, Kentucky, Texas, Florida, Pennsylvania, New York. Calls even come in from foreign countries such as Canada and even London, England. Word has gotten around that

people at the COACB will pray for you and that the Lord will hear that prayer. We have always wanted to be busy about the Lord's service but we now realize that the ministry has become so big that we need a lot more volunteers just to keep up. Would you consider volunteering some time to pray with the hurting?

Favorite Channel?

What is your favorite COACB channel? Now that there are six very diverse channels we are told that it is hard to choose a favorite. That is the main reason so many antennas are being sold right now so that people can watch all six. Let us look at what each channel offers:
