## TELETHON

**T**he COACB telethon starts Thursday, October 7 at 5:00 PM. This will be the largest telethon auction we have ever had. We will be selling anything from computer monitors to desks, from gift certificates to cakes and pies, from antiques to collectables. We will even be selling some old money. Plan to take a seat in our studio audience and enjoy the auctions. Sunday, there will be praise reports, gospel singing and even tag team preaching. **Please plan to be a part of the COACB telethon.**

## HELP US DO THE IMPOSSIBLE

Jonathan Aiken

**H**as our organization been a blessing to you? Would you like to be a blessing to us? There are many ways you can make this happen.

**Pray for us.** We always need your prayers. To be honest with you the job is really too big for our people but, with much prayer, we see the Lord do the impossible. Not only have we seen the sick healed, we have also seen equipment suddenly start to work after prayer has been said. Personally, I know in my heart that what we witnessed was God answering just one more prayer so we can reach out to just one more soul.

**Volunteer.** You can use some of your free time to volunteer at one of our stations. We have volunteer opportunities creating sets for our programs, answering telephones, creating web sites, operating cameras, directing shows, and hosting prayer line programs. Truly, the harvest is great and the laborers few.

**Donate.** We can always use your monetary donations. However, your support can be in the form of money, donated items, property, and real estate. The IRS recognizes the Central Ohio Association of Christian Broadcasters as a 501.c3 non-profit organization and donations to it are tax deductible. If you donate a car, truck, furniture, or anything of value, we can give you a receipt of the fair market value of the item donated. You may also donate in memory of a relative or friend.

**Saint Francis of Assisi had a quote that seems to sum up our organization. "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible." We need your help to do the impossible.**

### HURRICAN DELAYS TRANSMITTER

David Aiken

It is hard to believe that hurricanes in Florida can affect our stations here in Ohio but work stopped suddenly on the 3DBM transmitter for Delaware as repair crews from all over the US were dispatched to Florida and Alabama to put stations back on the air.

The crew working on our transmitter was called early to fly to Florida take a TV station off the air and move critical equipment inland to save it from the ravages of the class four hurricane heading that direction. Even a week after the storm, some of these hard-hit areas are still not reachable so we are not quite sure when the repair crew will return and our transmitter will be completed.

### PINTO BEAN PIE

### STORIES FROM MY RELATIVES

John Hoffman

You would like my Nephew, Alphonse. He was four years old. One day he went over to the next door neighbor, Mrs. Smith. He walked into the kitchen and got her attention. "Mts Smiiff," he said, Momma say you have some new rugs. May I pwease see therm?" Mrs Smith looked down at him and smiled. "Of course, Alphonse. I'm glad that little boys like nice thing." She took him by the hand and led him into the front room where the new carpet was. Alphonse just looked and looked. He even got down on his hands and knees. He stood up and looked quizzically at Mrs. Smith. "Well," she finally asked."What do you think of my carpet?" Alphonse thought for a moment and then said, "I don't know about my mother." Mrs. Smith was intrigued by his answer. "What do you mean you don't know about your mother?" In all innocence, Alphonse replied. "Well, Mrs. Smiiff, that rug doesn't make me sick."
