Which is your favorite?

If you watch the COACB on cable, and only get the 39.1 stream, you might not realize that we actually broadcast at least four streams on all our stations and we have found that people chose different streams as their favorite. The Streams are 39.1 Cornerstone network and the COACB programming. Stream 39.2 is the memory channel featuring COACB programs for the last 30 years. Stream 39.3 is Daystar which is the number 2 Christian Network in the World. Stream 39.4 is the World harvest Network. We have actually had people tell us that there is so much diversity on our channels that their television is always on one of the COACB streams.

Science Fiction?

Imagine, going almost anywhere in the U.S. with a small briefcase in hand. When you arrive, open the briefcase and take out a small camera, tripod, video monitor, and earpiece and set them up. The whole setup takes less than a minute. A voice crackles in the earpiece and a voice says you are going live in 10 seconds. The monitor now shows the live stream from TV-39 and suddenly your face fills the screen and you say "Good Afternoon, I am coming to you live from....." Sounds like Science fiction but this is the system David Aiken has designed and wants to build. He is about \$800 short of completing the project. If you would like to help? Send your donation to the COACB and designate it to go for Remote Broadcaster.

High Speed Internet

I was amazed when Jonathan set up a high speed internet Hot Spot in the van that 11 members of the Aiken Family took on vacation. It worked great and we were able to watch TV-39 live while barreling down the interstates at 70 mph. Jonathan explained that this Hot Spot communicated through the cell phone network using 4G speeds. Five computers could use the hotspot at a time.

This technology is now available to anyone that will spend \$59 for the equipment and \$35 per month for the service from Virgin-Mobile.

LIVE GOSPEL SINGINGS

Delaware has its Saturday live gospel singing on the first Saturday of each month. Linda Williams hosts this singing and her guests this month are Ron Chapman, Shirley Scurlock, and Humble Heirs.

Marion has its gospel singing on the second Saturday of each month. Guests singers this month are All About Him, and As We Are.

Kenton has its singing on the fourth Saturday of each month. Bob Evens host this singing.

All singing take place from 7:00 - 9:00 PM in studio A at 1282 N. Main Street in Marion Ohio, **Free admission. Everyone welcome.**

Free TV

Anyone that is willing to purchase and install a good outside antenna with a pre-amp can now expect to get about 45 channels for free. Actually more new channels are being added all the time.

Studies show that the average household only watches their five favorite channels and this has cable and satellite companies in a panic as both continue to lose customers to free over-the-air tv.

STORIES FROM MY RELATIVES

The Late John Hoffman

You would like my Nephew, Alphonse. He was four years old. One day he went over to the next door neighbor, Mrs. Smith. He walked into the kitchen and got her attention. “Mts Smiiff,” he said, Momma say you have some new rugs. May I pwease see therm?” Mrs Smith looked down at him and smiled. “Of course, Alphonse. I’m glad that little boys like nice thing.” She took him by the hand and led him into the front room where the new carpet was. Alphonse just looked and looked. He even got down on his hands and knees. He stood up and looked quizzically at Mrs. Smith. “Well,” she finally asked..”What do you think of my carpet?” Alphonse thought for a moment and then said, “I don’t know about my mother.” Mrs. Smith was intrigued by his answer. “What do you mean you don’t know about your mother?” In all innocence, Alphonse replied. “Well, Mrs. Smiiff, that rug doesn’t make me sick.”
