A DAY AT THE COACB

In addition to the normal work associated with broadcasting four program channels on four stations there are a lot of other things going on behind the scenes at the COACB. Take Saturday July 24 for example. Laura and Linda Williams were working to help people who had come to pick up their Friday night purchases from Lights, Camera, Shop, Paul Walters delivered items to people who had requested home delivery.

There was even a farmer's market going on in the TV 39 parking lot with some very fine produce.

Sister Earlene Hatch had organized a Walk-A-Thon with walkers walking from the Gazebo down town to TV-39. The temperature was 95 with a heat index of over 100 and walkers ranged in age from 3 to 81

David Aiken had brought his ambulance to use as a chase vehicle for the walkers. Dr. Earlinder Baranda was also following the walkers in her vehicle. Steve Gaffney a former Navy Corpsman volunteered to drive the ambulance so with a Doctor and an ambulance we were covered medically.

After prayer at the Gazebo, The walkers started out toward the station. Donnie Gear rode his motorized wheel chair and everyone was in great spirits. (Continued Page 2)

STORIES FROM MY RELATIVES

John Hoffman

You would like my Nephew, Alphonse. He was four years old. One day he went over to the next door neighbor, Mrs. Smith. He walked into the kitchen and got her attention. "Mts Smiff," he said, Momma say you have some new rugs. May I pwease see therm?" Mrs. Smith looked down at him and smiled. "Of course, Alphonse. I'm glad that little boys like nice thing." She took him by the hand and led him into the front room where the new carpet was. Alphonse just looked and looked. He even got down on his hands and knees. He stood up and looked quizzically at Mrs. Smith. "Well," she finally asked.. "What do you think of my carpet?" Alphonse thought for a moment and then said, "I don't know about my mother." Mrs. Smith was intrigued by his answer. "What do you mean you don't know about your mother?" In all innocence, Alphonse replied. "Well, Mrs. Smiff, that rug doesn't make me sick."

Half way through the event, walkers arrived at the Mc Donalds' on North Main Street and were given free drinks by the Mc Donalds' restaurant.

About ¾ of the way to the station, the ambulance started picking up some of our younger walkers. I think mostly they just wanted to ride in the back of the ambulance. They really had a great time with a lot of giggling and really big smiles.

While the walking was in progress, Carolyn Aiken, Mary White, Gwendolyn Siler, and Annie Lenoir were working in the Kitchen getting food ready for the walkers.

The walkers arrived at TV 39 and statements made before the video cameras, operated by Jonathan Aiken, by those involved in the Walk-A-Thon, The group then went inside for a very tasty meal.

As of press time \$659 in pledge money has been turned in but it is expected that over \$1,000 will be raised for this event. The money will be added to that already raised for air conditioner repair. We thank Bob's Heating and air conditioning for a very special price he gave us on the new unit. Although we do not have it completely paid for yet, the air conditioner is installed and working great.
