## Spring Auction is Coming

The auction stage got a renovation this month. Amos, Tyler, and Kayleigh worked hard moving things around for a more efficient operation and better organization. There was a lot of painting and moving of chairs.

Blood, sweat, and band aids were involved in this renovation. We have to get things ready because our Spring Auction and Telethon is right around the corner. The first day of the auction is Thursday, March 23rd. and it will run through Saturday April 1st. Easter is coming early this year, so we have to move fast.

We are looking for anyone who can help by volunteering during this auction. We were a little short-handed last fall, and it made things a little more difficult. We need people to carry the merchandise that has been sold back to the storage room.

Someone who can help with money handling, and we also need people to answer phones and take peoples bids. It would be nice to get a younger generation involved, so if you have a child or grandchild that needs work experience this is a great way to get it. If you are interested and would like more information, please call the station at 740-383-1794. We are looking forward to bringing you some great deals and wonderful products.

## What's Coming in 2023

We are looking forward to 2023! As always, our goal here is to provide you with the best family friendly programming we can. There are four new programs starting in January and the team is always looking for new programs that will bring happiness to your family. We will also be upgrading some of the equipment here at station. This is something that happens frequently since technology always improving and changing.

Another goal is to grow even more. We want to spread God's word as far as we can. Currently we are streaming on Facebook, YouTube, Roku, and our own app. Search for Central Ohio Association of Christian Broadcasters or COACB. Also check out our pages on Twitter and Instagram.

We will not accept random boxed up left over garage sale items. Try to have minimum item value of at least \$20. No clothing or shoes unless themed such as Ohio State, NASCAR, NFL or such. Used small appliances must be clean— no grease or food residue otherwise they will not be accepted. Any large items (furniture) you’ll need to contact station/Nancy before donating.
