Station Turn On

Today's edition of the Christian Broadcaster is special. Did you know that on June 24, 1989, Central Ohio Association of Christian Broadcasters went on the air for the first time. It was 33 years ago we got to witness the dream of Rev. David Aiken become a reality. We only had 560 watts, but what the station lacked in power it made it up with dedication. It wasn't until 1992 that the FCC granted permission for the station to increase its power to 18,920 watts.

In 1995 we drafted the plans to build the current David Aiken Broadcast Media Complex. It was completed in April of 1996 and has been the home to COACB ever since. It is a 9,000 sq. ft. facility that houses the corporate offices and the multi use studios. We have also expanded our programming to 8 channels that include Daystar, Buzzer, Victory, PosiTV, LC Shop, and our new Radio TV. Currently we are looking for a new network for our .7 channel. Since the beginning, COACB has purchased additional stations in Delaware, Columbus, and Ashland and are always looking for new areas. COACB is also aired on Roku, Facebook, YouTube, and COACB.org. We are now watched world wide. What a great blessing and a dream come true.

Locally Created Shows

Have you been watching some of our locally made programming? Vinyl Gospel is one of our recent additions. It is on Saturdays at 6:30 p.m. Tyler is the host and plays all your favorite southern gospel music from vinyl records. Another locally produced show is the Live Saturday Night Singings which is on the first and third Saturday at 7:00 p.m. There is a variety of music available each Saturday. Be sure to tune in to see who will be playing. Finally, the show that started it all, Word of Truth, is on every Sunday at 1:00 p.m. You can watch the re-runs of the older shows every day at 1:00 p.m. We hope you continue to enjoy our programming. Spring Cleaning

Have you drove by our station lately? Our volunteer Amos, along with Tyler, spent the day on 5/31/2022 cleaning everything out of the flower beds and making them look fresh and clean. There was a lot of weeds that needed pulled and mulch tilled. It is a lot of work keeping everything clean and organized here at TV-39 so we rely on our great volunteers. When you see Amos, be sure to give him a big thank you.

Needing Volunteers

If you are looking for something to do this summer, we can use your help. We are always looking for volunteers to help us out. Our office is open from 10 a.m. to 5 p.m. Monday thru Friday and some evenings and weekends. On the first Friday of every month is our Backroom Deals and we can use people to answer phones, tag merchandise, and pull the merchandise for customers. Our volunteers can do things as simple as answering the phone, stuffing envelopes, to learning how to run the equipment. Being a volunteer is also a great thing to add to your resume for work experience.
