## Fall 2022 Auction

We had a great time with this year's fall auction and telethon. There was a lot of great items that were donated. First, we want to thank Nancy Gracely for all the work she puts into organization and planning the auction. Without you, we would not be able to have the great auctions! Next, we want to thank everyone for all they donated. There was personal donations and donations from businesses in the community. We had lots of OSU items, candy and baked goods, toys, quilts and afghans, and some very unique items. Next, we want to thank all of our volunteers that helped make the telethon possible. We have volunteers answer phones, running auction items between locations, handling cameras, hosting pledge nights, and so many other jobs in order to make a successful telethon. Without each of you, the telethons would not be possible!

With the telethon auction, we were able to bring in \$14,073 this year. With the telethon pledges, our goal for this year's telethon was \$15,000. We are so excited to announce that our pledge total is now \$15,710!! As you can see, we made it with great success. With both parts of the telethon, we have a grand total of \$29,783 in the 2022 Fall Telethon! This is going to help greatly with improving our station and updating some equipment. If you didn't get to call in with your pledge, we are still accepting them. Just call our office at 740-383-1794 or mail in your payment to COACB TV39 1282 N. Main St., Marion, OH 43302. If you haven't picked up your items yet, please stop by as soon as you can or call and let us know when you will be here to pick them up. We owe our success to you, our great audience, thank you for all you do.
